## International Political Science Association

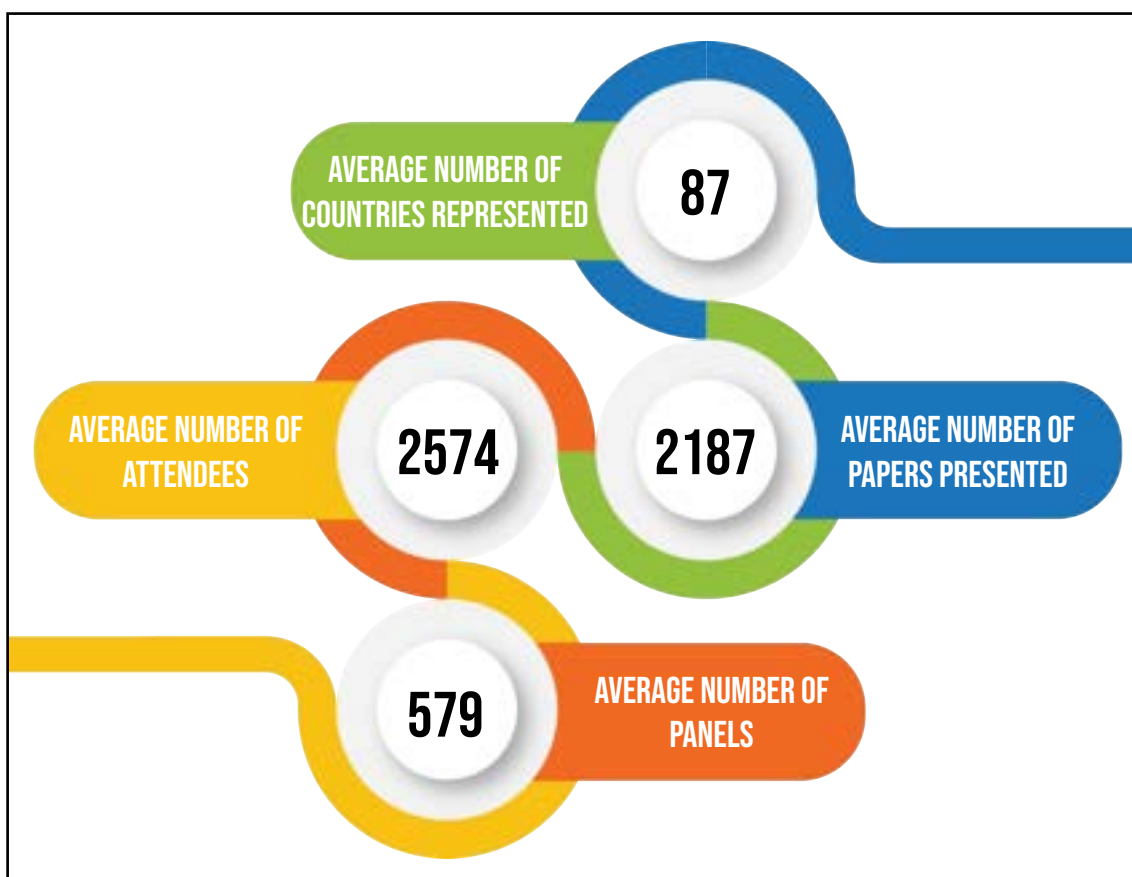

The International Political Science Association (IPSA), founded under the auspices of UNESCO in 1949, is an international scholarly association devoted to the advancement of political science throughout the world. IPSA has 61 national and regional association members, over 90 institutional and 3,000 individual members.

### Invitation to Partner with the 2023 IPSA World Congress of Political Science

The 2023 IPSA World Congress of Political Science will be held at the Pontifical Catholic University of Argentina in Buenos Aires as an onsite event from 15 to 19 July 2023 with a limited number of virtual-only panels under the theme ***Politics in the Age of Transboundary Crises***.

- An opportunity for you to network with 2,800+ prominent scholars expert scholars, graduate students, government representatives, decision-makers, international organizations, associations, tech companies and many more.
- The Congress will be organized in collaboration with the Argentine Society of Political Analysis and will have a strong presence from the political and social science communities of South America.
- Exposure to an interested and influential audience in an informal yet informative environment.
- Promote your organization or institution, support your brands and maintain a high profile among delegates.

# Exhibition Opportunities

## Tech Zone Package

The “Tech Zone” will be a room near the exhibition area for technology & education companies/institutions to meet our delegates and present their latest software, products and programs. During the 4-day Congress, each technology company will have a daily 45-minute presentation in this room. Your team can offer demonstrations on the latest tech trends and discuss solutions for productivity and learning, unique business needs, social media, marketing, software or an array of other interests related to the political science and social sciences. You can also organize a panel or roundtable discussion as part of the Congress program to promote your products or discuss a specific topic.

\$2,500

### The Tech Zone Package includes:

- Exhibition Booth (Onsite and Virtual)
- 45-minute daily presentations at the Tech Zone (a screen will be provided)
- Opportunity to organize a panel or roundtable discussion as part of the Congress program
- Your events will be promoted on the Congress website, our social media accounts, and other communication channels

FOR FURTHER INFORMATION: [exhibition@ipsa.org](mailto:exhibition@ipsa.org)
